"Я хочу добиться особого впечатления от этих работ. Пробудить чувство злости, такой яркой и прекрасной, мол, иди бунтуй!"

A black and white photograph of a white, rectangular object, possibly a piece of paper or a small block, resting on a light-colored, textured surface. A large, irregular black shape is cut out from the center of the white object, resembling a stylized, abstract figure or a large letter 'H' with a vertical bar in the middle. The edges of the cutout are jagged and uneven. The background surface has a fine, pebbled texture.
